JAMBOREE-SANGEN

Den 10. verdensjamboree.

From every clime and region
We cross mount, vale, and sea;
We're in the Philippines now
For our World Jamboree.

Here East and West are meeting
As Heaven so decrees:
We live and work and play
In true fellowship and peace.

CHORUS

»Mabuhay« to all
Scouts who are here,
Let the message of B-P
Now resound loud, long, and
clear.
I am your brother and friend,
So take my hand.
For God and country, mankind,
and Scouting
We shall stand, forever stand!
